TRADE CATALOGUE 2023

Welcome to our 2023 Catalogue

Kidicraft welcomes thrilling NEW ranges from the classic Airfix brand, Kevin Walsh Nostalgia, Marvel Comic books and the popular anime TV series, Naruto Shippuden.

- Our epic new Naruto Shippuden range is available in 300pc and 500pc and features fan-favourite characters from this popular anime TV series. These puzzles capture Naruto's powerful stories of dreaming big and never giving up. They are sure to be popular with anime enthusiasts.
- Our fantastic new 300pc Marvel Comic book range has six eye-catching designs to choose from. An art form of its own, the new range immortalises the universal comic book cover design Marvel introduced in the 80's. These are sure to be a hit with Marvel fans!
- Our exhilarating Hornby range comprises of thirty 1000pc jigsaw puzzles across the Hornby, Airfix, and Corgi brands. There is something for beginners, collectors and enthusiasts alike.
- There is a special edition 3000pc jigsaw puzzle of the Airfix Spitfire which includes a Supermarine Spitfire model kit and the chance to win a great prize (see page 60 for details)
- Our charming Kevin Walsh 1000pc Nostalgia range continues to go from strength to strength with three new designs taking this ever-expanding range to thirty-nine designs in total.
- New floor display units are available for all our amazing new ranges (see pages 56 to 59 for details).
- Kidicraft are working hard to become more environmentally friendly by making our floor display units 100% recyclable and introducing eco-friendly, zero plastic, paper envelopes for puzzle pieces. This will be rolled out across the different brands throughout the year with Hornby, Airfix and Corgi leading the way.
- We are constantly adding new designs and ranges throughout the year, to be kept informed please follow us on one of our social media platforms. Go to www.kidicraft.com for further details.
